CHANNEL PARTNERSHIP WITH MICRO FOCUS

Canberra, Australia – The Citadel Group Limited (ASX: CGL) is pleased to announce the significant progress made in relation to developing a new channel partnership with Micro Focus.

Citadel has partnered with Micro Focus (and prior to that, HP and HPE) for over 13 years to deliver Content Management solutions to its clients. In recognition of the work Citadel has done in Cloud Innovation of Micro Focus products, Citadel was awarded Micro Focus' 2019 "Reseller of the Year" Award.

Citadel and Micro Focus have been working closely together in the lead up to this week's Micro Focus 'Universe' Virtual Event (19-21 May 2020) to launch a world first - 'Content Manager Select as a Service' - Content Management in the cloud. Micro Focus and Citadel are delivering a joint presentation at the 'Universe' virtual event to launch 'Content Manager Select as a Service', detailing how Content Manager will be offered by Micro Focus as a Micro Focus branded subscription service and hosted on 'Citadel-IX' (Citadel's Cloud Platform). Citadel-IX is already live with over 23,000 daily users, and will shortly be deployable to over 100 countries around the world.

Citadel will update the market with details on the signing of the contact, which is expected in due course.

About Micro Focus:

Micro Focus International plc is a British multinational software and information technology business based in Newbury, England. The company provides software and consultancy services to over 40,000 clients in over 100 countries, and generates annual revenues exceeding US\$3.3 billion. The company is listed on the London Stock Exchange, and is a constituent of the FTSE 250 Index.

Authorised for release by Citadel's Disclosure Committee.
